

EMSINA

Emergency Management Spatial Information Australia

2020

End of EMSINA Project Report

End of Project Summary for:

Project 4: Useful Apps for EM

Project Lead Name:

Brenton Marchant

End of Project Report:

Summary:

- Kane received an approach from a “hackathon” group who were potentially interested in partnering with us to develop an ‘app of apps’. No further contact has been made with the group. Assume that COVID19 has put a dampener on their activities.
- Existing website functionality has been lifted to the new EMSINA website.
- Suggestions from the public have been updated into the main list.

Project Issues or Comments:

- nil

Follow-up Work in 2021:

- Attempt to re-engage with the hackathon group.
- Keep existing website functionality current

Project Acknowledgements:

- Thank you to Kane for his work on setting up the infrastructure and engaging hackathon contacts.
