

EMSINA

Emergency Management Spatial Information Australia

2020

End of EMSINA Project Report

End of Project Summary for:

All Hazards Symbology

Project Lead Name:

Naomi Withers and Ryan Lawry

End of Project Report:

Summary:

- Presented on the 2 new Fire behaviour symbols in Victoria
- 5 new all hazard warning symbols presented by the National Warnings group
- All hazard symbols approved
- Fire behaviour symbols to be discussed at the next meeting in 2021

Project Issues or Comments:

- Due to COVID no other new projects have been flagged.

Follow-up Work in 2021:

- On-going work on symbology
 - New all hazard warning symbols to come (Warnings group will advise which hazards are being looked at in Stage 2)

Project Acknowledgements:

- EMSINA acknowledge the National Hazards Warning Group for presenting on the new hazard symbology released in 2020
- EMSINA acknowledge the support of EMA in funding the creation of the New All Hazard Warning symbols.
- EMSINA thanks EMA for supporting this event through travel and meeting attendance assistance for key EMSINA members.
